

Aquaculture and Water Tank List of Moulds in Stock for Production

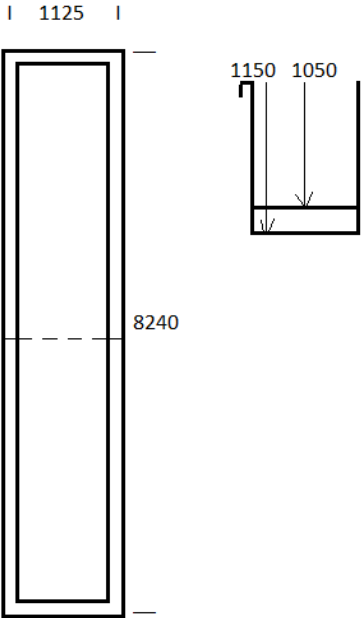

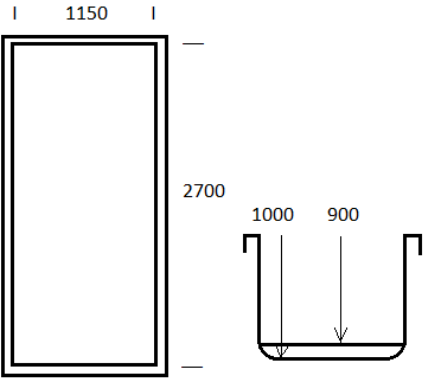

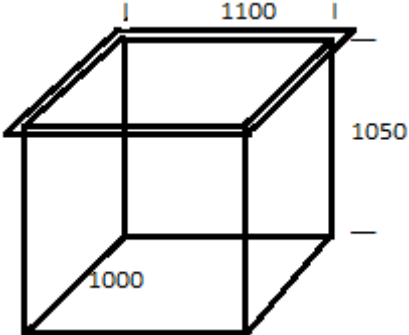

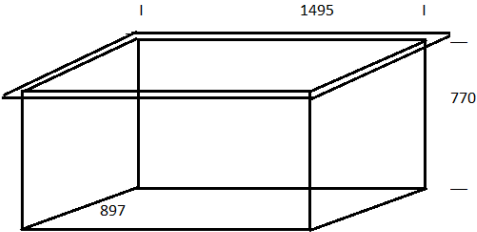

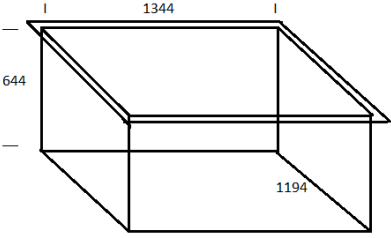

Volumes measured 50mm below top of tank

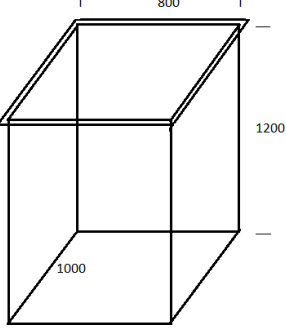

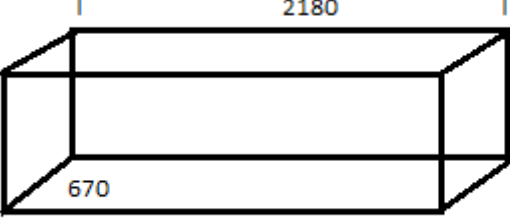

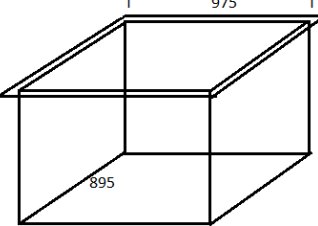

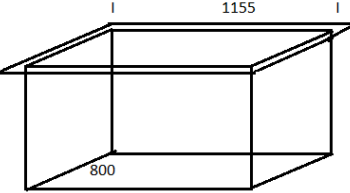

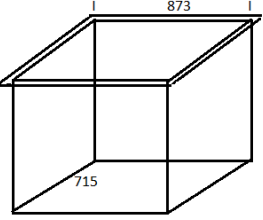

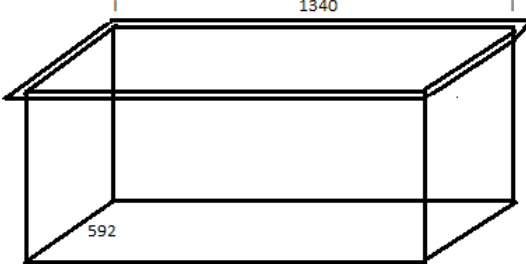

Volumes are approximate as tank taper slightly from top to bottom

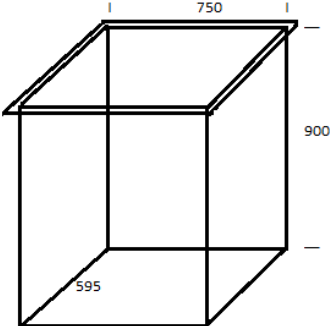

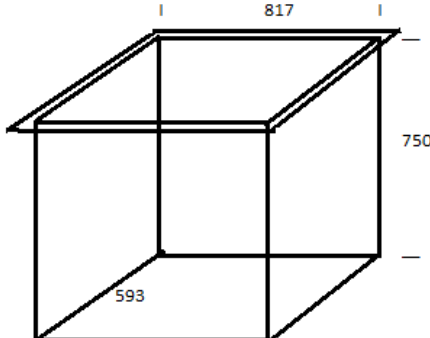

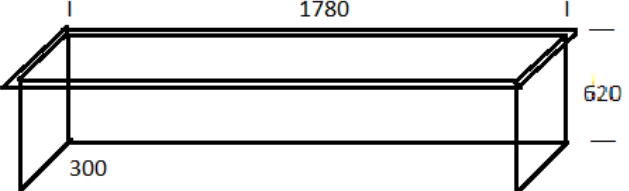

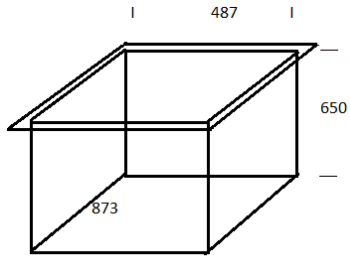

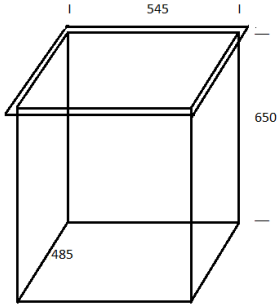

Tank Code	Approximate Volume	Internal Measurement	Diagram
RF8800	8800Lt	2400mm – 2600mm diameter 1750 high 6° Sloped floor Spiral centre drain 2 piece pedestal 500mm high Overall height 2250mm Overall diameter 2520mm	
RF5000	5000Lt	2250mm – 2300mm diameter 1200 high Sloped floor 0 – 170 Pedestal 500mm high 270 diameter centre Pad	 <p style="text-align: center;">one peice pedistal</p>
RF3000	3000Lt	1600mm - 1700mm diameter 1450 high 6° Sloped floor Spiral centre drain 2 piece pedestal 800mm high Overall height 2250mm Overall diameter 1872mm
